

Transition Update #11 - September 10, 2007

The Presidential Search Committee reports that there are now five highly qualified and very promising candidates for the position of President of UTS. One preliminary interview has already taken place, and two more are scheduled. The committee's goal is to conduct preliminary interviews with all five candidates and to select the top three, who will then be interviewed by the board, faculty and staff. It is hoped that this will happen in October.

The committee invites your prayers for this effort. You may participate in the prayer vigil by visiting our website at <http://www.united.edu/aboututs/prayervigilpresidentsearch.shtml> or by contacting Josephine Whitely-Fields at jwhitelyfields@united.edu. There is also a town meeting scheduled for Wednesday, September 19 during Common Meal. This will be a chance to hear updates on the search and to ask questions about the transition.

Marge Putman
UTS Board Chair
